NEW MEDICAL FACILITY'S GRAND OPENING FEATURING SEN. GRETCHEN WHITMER AS GUEST SPEAKER FRIDAY, JULY 23rd 8:30am

Lansing Urgent Care is pleased to announce the official Ribbon Cutting Ceremony scheduled for this Friday, July 23rd featuring one of its most vocal supporters, Sen. Gretchen Whitmer. Since opening their first facility on Clippert St. near Frandor in August 2006, they had always hoped for the ability to expand to multiple facilities. Their business touts minimal wait times, state-of-the-art facilities, and patient focused care which has been a strong recipe for growth within their industry.

The newest facility is located in Okemos on Grand River Ave. near the Playmakers shopping area. Features of this facility include much of what Lansing Urgent Care patients have come to appreciate about the Lansing location; plus a bit more! On the heels of an award as a 2010 Top 50 Company to Watch in Michigan, Lansing Urgent Care has much to celebrate.

"We want to thank the entire community for supporting our vision for what an Urgent Care should and can be. Without our loyal patients and tremendous staff we know this expansion would not be possible. We are so proud to be one of few companies in this region growing and offering new job opportunities to the amazing talent this state has to offer." - Terry Matthews, D.O.
